

# Advanced therapy education webinar series

LONDON  
ADVANCED  
THERAPIES

**ATTC**  
Advanced Therapy  
Treatment Centres

Are you interested in learning more about cell and gene therapies - also known as advanced therapies?

Join experts from across the UK for a **free** webinar series on advanced therapy medical products (ATMPs). Each short presentation (~20 mins) will be followed with time for Q&A with the speaker.

Target audience: healthcare professionals and others interested in advanced therapies.
